Do your employees know:

- How to identify phishing emails and websites
- Not to send PII (SSN, credit card, driver's license, etc.) in emails
- How to protect portable media
- The importance of creating strong passwords
- Not to share their passwords
- The dangers of posting PII on social media
- About the risks of using their personal devices with company data

HANO in partnership with Hawaii Tech Support is providing complimentary PII Security Training to its members. Contact HANO for details.
